

EMMAUS Equipping College Bible Classes

Welcome Peer Reviewers

Welcome to Emmaus Equipping College Bible Classes

This is your one stop to download and peer-review of fellow student assignments.

Please respond with care, love and grace.

In your peer review, firstly, affirm the positive points in your fellow student's assignment or essay, and then find one or two areas of recommended clarification or improvement. Focus on the text, and leave on an encouraging, empowering note.

Thank you.
